

Kamloops Pickleball Club

Rules Governing Play at TRU and the Kamloops Tennis Club (KTA)

1. All participants playing pickleball during court times booked by the Kamloops Pickleball Club (KPC), at TRU or the Kamloops Tennis Center (KTC), must be a current KPC member in good standing. Membership renewal date is September 15th of each calendar year.
2. The KPC insurance policy dictates that only individuals involved in play are allowed on the courts or the perimeter areas. No children or spectators are allowed on the gym floor at TRU. Spectators at KTC must stay well off the courts.
3. For play at TRU and KTA, players with skill ratings of 3.5 and above will play on the north side. Players with skill ratings below 3.5, will play on the south side. If there are not enough players on either side to fill the courts, overflow from the other side can use the empty courts. Players not sure of their skill rating should check with the club member who is the Opener that day, or use their game scores as a guideline to join one side of play or the other.
4. KPC Code of Conduct and Fair Play Guidelines will be enforced.
