SIGN IN EVERY DAY BEFORE YOU PLAY. We need to show usage to help justify expansion to dedicated courts 5-10.

Club Play: Open play for all club members of all skill levels to play together. Mix and have fun.

RR: Round Robin play. This is an option, to help organize play at your session. Check website under Play Times for RR info.

Sgl/Club: This is a play time where members have the opportunity to play a Singles game OR a Doubles game. If there is a wait to get on courts, place your paddles in groups of 2 (Singles) or 4 (Doubles) and wait for next open court.

Clinics, fun programs: Some Club Play times will be used for other club functions. Check website or your email for details.

Courts 5-10: Everyone pitch in and help the organizers set up and take down the nets and any other tasks. Thank you!
