DROP IN REGISTRATION POLICY

The Kamloops Pickleball Club welcomes visitors and guests who would like to play at any of the club's venues.

Visitors and guests to the Kamloops Pickleball Club indoor and outdoor venues are required to pay a \$10.00 drop in registration fee and to **complete and sign** the DROP IN registration form below. This \$10.00 drop-in fee will entitle the guest to 3 drop-in visits to a Kamloops pickleball venue. If the visitor or guest would like to become a member of the Kamloops Pickleball Club, this \$10.00 will be credited to the yearly membership dues.

Please note that many of our indoor and outdoor pickleball venues have a per play venue fee and this venue fee is in addition to the drop-in fee paid. For example, TRU has a per play venue fee of \$5.00, this fee is in addition to the drop in visit included in your drop in registration. Currently there are no fees to play at our outdoor venues - McDonald Park, Riverside Park and Cowen Park.

There is a maximum of 3 drop in visits permitted under this policy. If the visitor wishes to continue to play at Kamloops Pickleball Club venues after their 3rd visit they will be required to purchase a yearly membership.

Upon completion of the registration form (paper or online) and receipt of payment, registrants will receive an email confirmation of payment. Visitors must be able to provide proof of drop-in membership payment in order to play.

The online registration form can be found at:
